Children's Centres in Stockport

Working together with families to give
children the best start in life

What is a Children's Centre?

Sure Start Children's Centres are a national programme that ensures every community has access to Children's Centre services

Children's Centres provide information and support to children and their families.

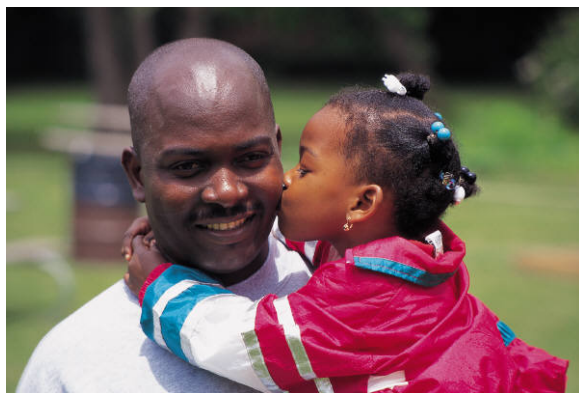

Information about childcare, early education, health and family support is available. In addition, help can be provided with finding the right jobs and training.

Who are Children's Centres for?

Children's Centres are for all families with children under five.

In Stockport, the services on offer vary from area to area in order to ensure that those families in need of additional support are able to access it when they need it most.

If you would like any information about services for young children please contact our Contact Centre on 0161 217 6028 or visit your local centre where you will be warmly welcomed.

What do Children's Centres offer?

We offer information about a range of local services such as:

Early Education and Childcare

- Early learning and childcare for babies and children up to 5 years old
- Links to local schools and out of school activities (such as holiday play schemes and before and after school provision)

Family Support Services

- Information about local family support services and activities
- Help and support with parenting
- Specialist help for families who need it e.g. support for families of children with special needs

Child and Family Health Services

- Encouraging a healthy lifestyle
- Help to improve your emotional well-being
- Ante-natal and post-natal advice and support

Parent Involvement & Economic Wellbeing

- A voice for parents e.g. parents' groups
- Links with Jobcentre Plus
- Access to Adult learning opportunities
