Stockport Schools Brass Band

About us

Location
Stockport Music Service, The Fairway, Offerton, SK2 5DS

What we do
We provide an opportunity for all brass and percussion players of all standards to develop their music and instrumental skills in a fun and exciting environment, playing a wide range of music.

There are a range of performance opportunities for all three bands, including joint concerts with schools, charity fundraising concerts, outdoor jobs playing carols and summer fairs as well as SMS events.

The Senior Band enter a number of contests and are current Fleetwood Contest Youth Band Champions. All bands enter the National Youth Brass Band Championships.

There is the opportunity to attend at least one residential trip each year both in Britain and abroad.
